2015	35,448	48,000	36,133	36,090	32,614	34,661	42,041	37,125	29,164	30,678	34,480	43,315	439,749

Effective 2008 the CARICOM Immigration (E/D) card was introduced, which only permits the visitor to enter one address/intended place of stay. Therefore this new E/D card does not allow data to be collected for persons visiting BOTH islands, hence the significant difference in total from 2008. Therefore, The data presented only represents tourist by their main destination, it does not include persons who may have visited both islands during their trip.
